Attitude sportiva e allure urbano, una combinazione esclusiva tra tecnologia e stile, questo è FRAU Cross Hybrid. Una scarpa che risponde alle esigenze dell'uomo contemporaneo che considera le sneakers un passe-partout da indossare tutti i giorni.

La costruzione Strobel, il morbido sottopiede e la suola leggerissima in Phylon gomma donano comfort alla quotidianità. I colori e gli accostamenti di materiale, in linea con le tendenze del momento, elevano lo stile di queste urban sneakers. La suola, completamente personalizzata, si distingue per la stilizzazione del logo che diventa motivo identificativo.
